

School reports are out now, except for reception and year 6 which will come out later once the statutory assessments have been completed.

Congratulations to all our **rugby** players who really acquitted themselves extremely well in the recent tournaments. The A team not only won the small schools' trophy but then beat Thurlbear to enter the regional play off in Glastonbury! Unfortunately it coincides with the school camp so we may have to concede! We are desperately looking for ways round it, although we have now been told it is a 10.30 start! The B team did very well, finishing in third place (almost second!!!!)

Thank you for respecting the use of the **car park** I appreciate it's tempting but I feel a lot happier now we have less risk!

In June we have arranged a **helicopter** visit. They will take an aerial shot of the school and then land to talk about the helicopter and take class photos which will be incorporated in a booklet. The following day Tempest **photographers** will take the usual class photos and those of the Y6 leavers. You now have a choice! You could buy none, both sets or the one you prefer! We had arranged Tempest first and were trying to find a better date for the helicopter to come, but this, for operational reasons, was not possible.

Jenny Snowden has decided to retire with effect from July. Jenny has been with the school for many years and will be missed. We will mark her retirement with a presentation towards the end of the summer term.

The recent visit by **Bishop Peter of Taunton** went extremely well. It was really encouraging to hear such an eminent person praise the school for its ethos and behaviour.

2nd Emma Strong begins her maternity leave

5th Bank Holiday

6th Kwik Cricket tournament

M 8th Rounders Tournament at Bishop Fox's

A 12th statutory SATs week (optional SATs for Y3, Y4 and Y5 w/b June 23rd)
