

Dear Parents

Sports relief sponsorship raised over £850. Many, many thanks indeed. This is quite astonishing.

We plan to introduce hot meals from September. We have a supplier and will be building a new kitchen. HOWEVER we need an average of 35 to 40 meals to be taken every day for this to be affordable. If it drops below 40 I will have to pay for another member of staff to serve, and I have set up costs of £1,000 anyway. I need to ascertain the demand before I spend £35,000 on a new kitchen. If there is not enough demand I will not go ahead but if there is sufficient interest and it appears to be sustainable then I will commit this money to it. Please return the slip below... there is no need for names. There will be a taster session at the end of school on July 16<sup>th</sup> for anyone wishing to test them!

Kwik Cricketers..... remember the tournament on 3<sup>rd</sup> June!

Miss Victoria Mortimer has been appointed to join the staff with effect from September 2008. She will take over in class 2.

We are planning to make Country dancing skirts for the children in time for a festival on June 28<sup>th</sup> at Hatch Beauchamp. If there is anyone out there who could help make them we'd like to hear from you!

Have a good half term... we return on TUESDAY JUNE 3rd

Neil Dalton

**SCHOOL DINNER SERVICE** (I always think this sounds strange)

At an estimated cost of £1.95 (Key Stage 1) and £2.05 (KS2) per meal, would you consider school meals? If so please indicate approximately how many per week for your child or children and in which school terms. There is an excellent menu of hot and cold meals and special diets can be catered for. If you qualify for free meals they will be provided.

Autumn term: How many meals per week?	
Spring term: How many meals per week?	
Summer term: How many meals per week?
