NEXT LETTER  
DUE week  
beginning 28<sup>th</sup>  
January

Dear Parents and Friends

Happy New Year to you all.

The school **website** is now in existence although still undergoing some "tweaks". Tell us your impression of the website please as it has taken a lot of time and effort for our web designer to produce and feedback would be welcome. If you have requested your child not to be on it and a photograph has sneaked through let me know as soon as you can and we will remove it. I have received no letters requesting hard copies of letters, and only one verbal request, so I don't know whether to assume that everyone has internet access or not. Instead I will continue to send out letters in printed form until the website embeds itself and then I'll ask again. If you wish to advertise your business on the site you can... just let us know. We charge £10 per year.

**Milk requests** seem to be going down well, although there have been some teething problems with delivery. Non-deliveries will be credited against your invoice. Please remember to keep up your arrangements directly with the firm as they e-mail us with details of entitlement.

I have two vouchers for £10 each from **National Schoolwear Centre**. If you would like to enter a free draw just return the slip below and on January 18th we'll draw the first two names from a hat or something similar in assembly.

The **donations** after the Christmas Production raised £270.93 for Help the Aged and about £65 from the Carol Service. Thank you for your support

Can I please remind people not to walk across the **car park**. I know I'm paranoid about it but I have seen accidents in the past. It is also for that reason we ask that it is respected as a staff and visitors car park and not for collection of pupils. It may sound mean but certainly when I sustained damage from someone in a car park, the offending driver was not insured as she was on "private" property. It cost a lot!
