for working parents*

The Hub School Club - What's it all about?

Who are we?

We are based in the school hall at Ruishton Church of England Primary School.

We provide before and after school care for children who attend Ruishton School.

We provide a safe and nurturing environment and encourage children to be independent as well as empowering them to have a sense of self belief.

Breakfast Club

Breakfast is served from
07:45 until 08:30am.

We provide a nutritious breakfast. This consists of cereal and or toast with fresh fruit and yoghurt. There is juice or milk to drink.

Children are able to take part in a range of activities of their choice in a relaxed environment prior to going to school.

After School Club

We are open from the end of school until 6pm. The children can be collected any time during these opening times. The children are escorted to the hall by their Teachers or Teaching Assistants.

The session starts with a nutritious snack along with plenty of fresh fruit.

Some firm favourites include: nachos with salsa; malt loaf; cheese and crackers; wraps and breadsticks with dips.

We promote free choice play throughout the session. The hall is set out with a selection of activities. The children enjoy a fun filled afternoon of games, outdoor play, crafts and socialising.

If you would like to arrange a visit to see what is available please do not hesitate to contact Sandra, the Hub Supervisor, through the school office.

Contact Details

Staff members at The Hub School Club are:

HUB Supervisor — Sandra Dobie

HUB Play Assistants:

Debbie Light; Rachel Harris & Morgan Brooks

It is easy to book your child/children into sessions at The Hub School Club.

We use an online booking system called Magic Bookings. Prior to booking it is necessary to register your child/children.

The process is relatively easy by using the following Magic Bookings email:

oakpartnership.magicbooking.co.uk

Any queries related to the hub including bookings, snack, collection arrangements should be sent to:

magicbookingqueries@oak.education

This will be regularly monitored so that queries can be dealt with efficiently.
