

CLL

In our Communication, Language and Literacy lessons, we will be reading **'The Iron Man' by Ted Hughes**.

This text and our topic work will help us to write our own news reports.

We will be learning to reinforce learned skills and new skills:

- Titles and Subheadings
- Paragraphs
- Inverted Commas for Speech
- Adverbs
- Prepositions

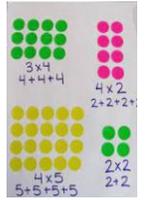

Arts & Creativity

We will look at artists' collages and use techniques to create an Iron Man collage of our own.

Mathematics

We will be using our 2s, 5s, 10s and 3 times tables to carry out **multiplication and division** problems.

PSHE

Our school theme for this half term is **'Dreams and Goals'**. We will be thinking about:

- recognising other people's achievements in overcoming difficulties
- imagining how it will feel when they achieve their dream / ambition
- breaking down a goal into small steps
- recognising how other people can help them to achieve their goals
- managing feelings of frustration linked to facing obstacles
- sharing success with others

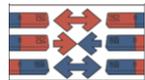

Science and Technology

Science

Forces and Magnets

We will be observing how magnets repel and attract each other. Also, we will be comparing and grouping together a variety of everyday materials on the basis of whether or not they are attracted to a magnet; and identify some magnetic metals.

We will be conducting our own Friction experiment on different surfaces and reporting on our findings.

Computing

We will be using Purple Mash to input our Friction test data and make our own bar charts.

Forces and Magnets!

Hazel Class
Spring 1 2024

Faith & Belief

Our school value this term is **'Courage'**.

In class, we will be starting to learn about Islam; the first two Pillars – Salah and Shahadah.

Physical Development

Pupils will develop the gymnastic skills necessary to develop fluent routines. Body tension, control, extension, jumping and travelling showing control and fluency.
